HOME CONCEPT

about us

Dear customers,

As Home Concept, we are working very hard for your appreciation in 31 years.

We are manufacturing reliable, healthy and high quality products while searching consumer usage habits and expectations.

Our wide range of products to different socio-economic groups and lifestyles, to offer different options to respond to all kinds of tastes and needs is important to us.

These requests and the investments we have made in line with our development needs by adding new ones every year, we need investment, we aim to continue our success in both marketing strategy.

The investments we have made in the last years are the result of serving 85.000 m2 open and 17.000 m2 closed area better and “being the best” is our indispensable target.

We take our strength from our employees and our valued customers.

With our respects...

HOME CONCEPT

*We make you happy, we increase
your comfort, we accompany your lives
in your homes*
